**UNIQUE DESIGN
FOR SAFE CARRY
& QUICK DRAW.**

Safe/Fire Lock

Our engineering team has developed the unique design of the new PSX1 Tactical Pepper Spray together with self-defense instructors and close-combat experts. PSX1 is designed to be safely carried in a pocket and immediately unlocked and quickly drawn in an emergency. The spray is deployed horizontally, which leaves more options in case of self-defense.

Ruggedized Design

Length: 90 mm [3.5 in.]
Diameter: 28 mm [1.1 in.]
Weight: 35 grams [1.23 oz.]
Content: 10 grams of Oleoresin Capsicum with 1.33% Major Capsaicinoids.
